BOTOX ...

at The Carolina Hand Center

Botox Services offered:

- ✔ Forehead and Glabella lines:
Reduce deep lines for a refreshed look.
- ✔ **Crow's feet:**
Soften fine lines around the eyes.
- ✔ Lip flip/Gummy smile:
Enhance lips without filler.

Why Choose Botox at a Hand Center?

- ✔ Hand specialists are trained in the most delicate, small-scale injections, which translates to high precision for Botox treatments.
- ✔ Expertise in nerve and muscle function ensures a natural, well-balanced result.
- ✔ Minimally invasive, non-surgical anti-aging solution.

FAQs

➔ Will it look unnatural?

Not at all! Our specialists focus on subtle, natural enhancements to maintain facial expressions and movement.

➔ How much does it cost?

Pricing varies based on the treatment area. We provide customized plans during your consultation.

➔ Is there any downtime?

No! Most patients return to daily activities immediately after treatment.
